

Samuele Bilancioni

Digital Marketing

👤 Profile

- A strong leader, with excellent communication, relationship-building and collaboration skills, experienced in properly engaging with clients, understanding their needs and help them build a strategy to achieve their objectives.
- High Social Media knowledge, with a proven track record of effectively growing and running multiple Instagram and Facebook pages for clothing retailers.
- Good understanding of marketing principles and how to apply them to provide the highest value for customers.
- Independent, high-driven and hardworking individual, aspiring to secure an internship or entry-level marketing position, at a top-level advertisement agency. Motivated to gain practical experience in digital marketing and pursue a career in this field.
